PROFILE OF QUALIFICATIONS

- Result focused leader who offers proven experience in large-scale project optimization, including designing, developing and implementing forward-thinking programs, processes and procedures to achieve continued key growth and productivity.
- Ambitious self-starter who plans, prioritizes, manages and completes tasks within fast-paced, deadline-driven situations.
- Excellent communicator who interfaces between executives, clients and project teams.

PROFESSIONAL EXPERIENCE

January 2014 – April 2015 In-House Landman/Manager

Orange Energy Consultants, Corp.

(f.k.a. Orange Energy Consultants, LLC)

Grapevine, TX (*Headquarters*)

- Managed directly and indirectly the activities of in-house and field landmen to ensure proper execution of duties and that all established priorities and deadlines were met.
- Reviewed processes for continuous improvement in procedures through optimum utilization of systems and personnel.
- Participated in department operational and strategic planning, including fostering innovation, planning projects, and organizing and negotiating the allocation of resources.
- Coordinated and communicated with representatives from internal departments such as field area management, lease administration, lease management, geology and operations to ensure that the appropriate steps were taken to meet project goals and deadlines.
- Built and maintained strong relationships with internal and external key personnel to ensure proper dissemination of the client preferences and project goals.

Dec. 2005 – Current Owner/Manager & Independent Contract Landman

McQue Land Management, Inc.

Texas, Oklahoma, Louisiana, Arkansas, Pennsylvania, Ohio, West Virginia

- Skilled with projects focused in land acquisition, title research, abstracts, right-of-way, due-diligence, mineral ownership, HBP and division order.
- Demonstrated ability to interact and communicate accurately and effectively.
- Time management and project completion satisfaction for clients with over \$6 billion in due-diligence and over \$300 million in property acquisition.
- Repeatedly commended for the combination of multitasking and accuracy abilities; frequently assigned to urgent projects.
- Recognized for superior performance and dedicated service commitment.
