

BRAYDEN O'GORMAN

FULL STACK WEB DEVELOPER

PROFILE

I am an aspiring web developer looking to take the next big step in my career. I am a confident, reliable hard worker who loves to learn and challenge myself. I have always loved tech and the constant innovation that this industry provides the world. Being apart of this process of innovation both excites and drives me. My coding and digital design credentials through Coder Academy has given me the programming skill-set required to achieve my goals within this industry.

SKILLS

Coding Languages

Ruby, JavaScript, HTML/CSS

Frameworks/Systems

Rails, React, MVC, Bootstrap, Visual Studio
