## **Key Experiences**

● Student Teaching Experience at Coesse Elementary School in Columbia City, Indiana Spring 2010

Taught as a student teacher in Deb Elwood's third grade class, as well as in Nanette Pierce's kindergarten classroom during the spring of 2010. Developed, practiced and improved classroom management strategies, assessment implementation, differentiation and lesson planning. Created interdisciplinary lessons and worked with ability grouping. Tutored select students after school two days a week in Mathematics and Reading.

● Assistant Teacher at Easter Seals ARC Child Development Center May- August 2008- 2010

Worked with children from ages 2 up to twelve years. Spent time with the children and also helped the teachers plan lessons and activities. Facilitated child learning.

- **Diversity experience at Lindley Elementary School in Fort Wayne, Indiana** **November 2009**  
Observed and helped in a diverse kindergarten classroom in this Fort Wayne Community elementary school for one full week. Obtained skills of differentiating for all students and nurturing students from all backgrounds, preparing me for a career in teaching students from all different family types and home lives.
- **Assistant Teacher at Manchester Early Learning Center Daycare & Preschool** **January- May 2009**  
Worked with the four-year-olds class in this North Manchester, Indiana daycare center, as well as assisted with other aged children by playing with them, teaching them and also designing activities for them. Gained additional experience working with children at different age levels, increasing flexibility.
- **Service Learning Project at Manchester Elementary** **January 2009**  
Volunteered along with a partner to deliver three specially designed “Talk It Out” lessons to Mrs. Patty Good’s first grade class. Spent additional hours with this class, observing lessons and helping around the classroom.
- **Manchester College Introduction to Teaching course Field Experience** **Fall 2007**  
Visited several classrooms in North Manchester area schools to observe and analyze teachers and their procedures to better understand how the classroom works.
- **Tutoring at Akron Elementary School** **Spring 2007**  
Worked with second and third graders twice a week for one full semester. Assisted students with homework assignments, as well as additional practice in reading and math.
